

**CITY OF DOVER
RESOLUTION NO. 60**

A RESOLUTION OF THE CITY OF DOVER, A MUNICIPAL CORPORATION OF THE STATE OF IDAHO, TO THE SECRETARY OF THE AIR FORCE, THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

WHEREAS, the U.S. Air Force has had a presence in Idaho for more than 56 years, with numerous facilities, including Mountain Home Air Force Base and Boise's Gowen Field; and

WHEREAS, the Secretary of the Air Force approved Joint Strike Fighter basing criteria for both training and for operational bases for the new F-35 mission; and

WHEREAS, Mountain Home Air Force Base was selected as a finalist as an operational base and Boise's Gowen Field was selected as a finalist as a training base; and

WHEREAS, Southern Idaho's climate is well-suited to these missions, with more than 321 flyable days per year, a key selection criteria; and Idaho's facilities provide ample and unhindered training airspace close to installations, which enables more training time and less fuel consumed. Idaho's facilities are unencumbered by the encroachment of civilian land use, which lowers the environmental impact on surrounding communities; and

WHEREAS, Idaho facilities have the capacity to support at least three (3) squadrons each, including runway space, ramp space, personnel housing, and maintenance and hangar bays necessary to accommodate these new missions; and

WHEREAS, the City of Dover is a patriotic community, and supports members of our community in the military, and would welcome the new F-35 mission.

NOW, THEREFORE BE IT RESOLVED by the members of the City Council and the Mayor of the City of Dover, Idaho, that we urge the U.S. Air Force to select Idaho for its F-35 missions.

Upon a motion and second to approve the foregoing resolution the following vote was recorded:

Councilwoman Burge	Aye
Councilwoman Becker	Aye
