

## Dover Residents,

The City of Dover is committed to communicating important information to our residents through the Nixle system. We invite all residents to register to ensure timely communication about important Dover, Idaho events.

What: Nixle is a communication tool that connects public safety, municipalities, schools, businesses and the communities they serve. Organizations use Nixle for critical situations such as Severe Weather Events, Evacuations, Safety Hazards, Security Threats, Facilities Problems, and Utility Disruptions.

Who: Anyone can view information by going to [www.nixle.com](http://www.nixle.com). However, to customize the information you receive and the locations you receive it from you must opt-in.

Why: Residents of Dover interested in receiving important news and updates including utility outages should consider this opt-in feature.
