

Come One, Come All

to Dover City Hall

Thursday, May 26, 2022

6:00 pm - 8:00 pm

The Dover Historical Committee invites the public to the preview of the "**Dover Idaho Roads & Landmarks**" project. Learn about the history of the families our streets are named after in a beautiful brochure full of great photos and stories about Dover's heritage and people.

We will welcome donations for help with printing!

If you cannot attend you can contribute by sending a check, made out to City of Dover, with Dover Historical Committee in the memo line.

Who is this beautiful picture of?

She is standing in a location that is now just behind City Hall.

One example of the types of photos and the history unfolded in the brochure!
